## FIRE CHIEF'S REPORT

This past year has been a busy one for our fire department. We had two real large fires with considerable loss. The fire at Faloons really had a head start before being discovered. With help from our mutual-aid department, Garland, Charleston and Kenduskeag, we were able to save the main house with very little damage.

The fire at William Thomas was also a real worker. We were able to save his new house and a near by machine storage shed. We were assisted by trucks from Garland and Charleston.

During the year we answered 12 chimney fires — 3 grass fires — 1 auto fire, 10 building fires, 2 truck fires, 4 mobilehome and 4 mutual-aid calls. This past year we installed a siren on the fire house roof to alert our crew and warn our citizens of a fire. We had to do this to satisfy our rating bureau. Hope this is not a hard ship to folks living near by. We also bought some new hose and one new nozzle plus some small items. The station roof was completely re-done. In our continuing effort to upgrade ourselves, we are trying to enroll some members in training classes this summer. We realize we do not have the training we would like to but are always going ahead in this respect. We answer all calls as fast as possible, and while it may seem like a long time to anyone waiting, I feel that we get out very quickly. A fire at night means that a fireman must get up, put on plenty of heavy clothing, start a cold car, drive to the fire house, open doors, start a truck and get out and rolling. This really takes time.

Assistant Chief Gareth Blackwell, Assistant Chief Skip McLaughlin and myself take turns on stand-by duty over the week-ends. Members of the department are also asked to take turns for week-end duty.

We are very proud of our Junior firemen. They are interested in learning and are a real asset to our department.

We would like to thank the members of the Garden Club for their fine donation to the department.

The department honored a member with a plaque and a life time membership. Fireman Lyman Craig was honored for outstanding duty to the department and to the community.

As chief, I have really enjoyed this past year. Morale has been high and I have had the cooperation and support of all members of the department, the Town Office and the citizens of the town.

Respectfully,  
NORMAN I. BUSWELL  
Chief-Corinth Vol. Fire Dept.

## **AMBULANCE DIRECTOR'S REPORT**

This past year was a busy one. We answered 96 calls. We had 65 in-town calls and 31 out of town calls. There were 45 transport cases, 20 routine calls and 31 emergency calls. There were 12 known heart attacks and 20 auto accident patients to lead the list.

We have a problem in getting a crew during the work day hours. Most of these calls are answered by a very few, who must leave their jobs. Mrs. Ruth Ann LaTourette has been a real help during the day but we can not expect her to stay home all day, every day. We are open to suggestions on how to solve this problem.

I am very proud to be a part of this group of people who answer ambulance calls. They are called out at all hours of the day and night, holidays and all, in all kinds of weather and road conditions. They are subject to abuse, both physical and oral by those who are high on dope, alcohol or whatever. They take turns on stand-by on week-ends and holidays. They put in many hours of training and practice, all without complaint.

Please remember the number to call for Ambulance and Fire calls is 285-3232.

Respectfully,  
NORMAN I. BUSWELL  
Ambulance Director  
Corinth Volunteer Fire Dept.

# **TOWN FOREST FIRE WARDEN REPORT**

During the past year 80 fire permits were issued. Attended all meetings required and traced down any smoke reported from the tower.

I want to thank everyone for their cooperation in obtaining burning permits and refraining from burning when asked.

A permit is required for all burning out of doors, unless the ground is covered by snow. The only exception is burning in an approved incinerator. Anyone having questions please feel free to contact myself or Irving Caverly, State Forest Fire Ranger.

Respectfully,  
NORMAN I. BUSWELL  
Corinth Forest Fire Warden

# ATKINS MEMORIAL LIBRARY REPORT

Business has been about as usual at the library. We do not have as much material for the students to use for research as I wish we had, so we have had to borrow from Bangor or the State Library.

Valerie Felt McClead did a great deal of research about some of our town history and she has had a copy of here thesis bound and given to the library to be kept there and for use of all interested presons. We do thank her very much for this.

The Girl Scouts presented a nice desk chair to the library and this is very much appreciated by the ones who use it.

The thoughtfulness of the citizens in town who remember some of our needs is much appreciated. The Jay-she's gave a gift of money for children's books.

Respectfully submitted,  
ELEANOR C. DURAN, Librarian

# IMPORTANT

-----

All taxpayers should read the following requirements and comply with them.

Title 36, Chapter 105, Sect. 706, Revised statutes of Maine, 1964.

Before making an assessment, the assessors shall give seasonable notice in writing to all persons liable to taxation in the municipality to furnish to the assessors true and perfect lists of their polls and all their estates, not by law exempt from taxation, of which they were possessed on the first day of April of the same year.

The notice to residents may be given by posting notification in some public place in the municipality or in such other way as the municipality directs.

The notice to non-resident owners may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If any person after such notice does not furnish such list, he is thereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

The assessors or any of them may require the person furnishing the list to make oath to its truth, which oath any of them may administer, and any of them may require him to answer in writing all proper inquiries as to the nature, situation and value of his property liable to be taxed in the state; and a refusal or neglect to answer such inquiries and subscribe the same bars an appeal to the county commissioners, but such list and answers shall not be conclusive upon the assessors.

# **REPORT OF PLAYGROUND ADVISORY COMMITTEE**

Activity on the progress of playground for 1976 saw a number of projects either completed or nearly so. The back side of the playground was fenced and new backstop on #2 ball field was installed. Also #2 tennis court was completed except for lighting.

For 1977 we would suggest either fencing or some type of protection for front of playground. Also, the west side of playground needs to be fenced if funds are available. We solicit any suggestions from townspeople as to future projects and improvements, and also would urge all people, young and old to make full use of the facilities available at the playground.

## **1976 YOUTH LEAGUE REPORT**

April 19, 1976 started our spring tryouts with 23 signing up for Youth League. After several practices the team was made up of boys ages (10-13) plus bat boy. All others eligible for Farm League.

Central Penobscot Youth League is made up of teams from 11 towns — Bradford, Charleston, Corinna (2 teams), Corinth, Exeter, Garland, Glenburn, Hudson, Kenduskeag, LaGrange, Levant. The teams were divided into two leagues - National League and American League. National League consists of teams from Bradford, Charleston, Corinth, Glenburn, LaGrange, Hudson. American League were teams from Corinna (2 teams), Exeter, Garland, Kenduskeag and Levant.

We played a total of 26 games. Regular Season 14 - Non-league 2 - Playoffs 6 and Championship 2.

The All-Star game was played in Corinth on June 12, 1976. Scott Wilson, Doug Mitchell, Jeff McLaughlin were the three boys picked for the All-Star game. The National League won the game.

Our regular season record was 10 wins and 4 losses.

### NON-LEAGUE GAMES

After hard work, determined minds we won the championship game. Each boy received a trophy. The team also received the Herman Allan traveling trophy which at this time is displayed at the Corinth Town Office. The trophy stays with the winning team until the next season. We hope to keep this trophy with us for another season.

Some of our exciting times in the summer of '76 were: Father & Son game where the boys and fathers or relatives enjoyed an evening of baseball. Spectators enjoyed the games as well. We always hope the fathers are able to be up and around next day.

Old Home Day found this team on a championship float in the parade. In Augusta Robert Strout's bus took the boys, parents and friends to a Boston Red Sox game with all enjoying the trip. All donations at the games went towards the bus enabling us to go to Boston.

Finally I would like to thank everyone who provided transportation and all those who faithfully supported our games. We could not have done it without you. I would like to give a special thanks to the umpires who gave their time.

# **REPORT OF LOCAL PLUMBING INSPECTOR FOR THE MUNICIPALITY OF CORINTH**

First, whoever plans on buying a lot for a new home or installing a septic tank must have lot size of 43,560 sq. feet, inspected by a Registered Professional Engineer who plan and perform soil evaluation for purpose of waste water disposal by sub-surface absorption, and he will design the type of system needed.

Then you will take his plan to the Local Plumbing Inspector before any work is started, pay the fee and obtain a permit if it complies with the code of State of Maine Health and Welfare.

After you have the plumbing completed and ready for use you must call the Local Plumbing Inspector, if this is inside plumbing it requires a water test, for outside inspection it must be done before covering it in and at least twenty four hours before you wish inspection.

This year has been very busy, but I will cooperate with you to make it convenient in the future.

The number of permits issued for complete Plumbing service is seven.

The number of permits issued for outside Plumbing is nineteen.

The number of permits issued for inside Plumbing six.

The number of permits issued for replacements is two.

The number of permits issued work not completed is two.

Respectfully submitted,  
EARLE NOYES  
Plumbing Inspector

Town of Corinth  
Corinth, Maine

We have examined the financial records of the Town of Corinth for the year ended December 31, 1976. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The financial records of the Town of Corinth for the year ended December 31, 1975 were examined by other public accountants and are presented for comparative purposes only.

In our opinion, the accompanying balance sheet and exhibits present fairly the financial position of the Town of Corinth as of December 31, 1976, and the results of its operation for the year then ended, in conformity with generally accepted principles of municipal accounting applied on a consistent basis.
